 - Are you showing any symptoms which might be associated with the virus?
 - Have you been in contact with anyone showing symptoms of the virus?
 - Have you been in contact with anyone who is self-isolating?If the answer to all 3 questions is "no" you will be allowed to enter the Therapy Centre.
3. Anyone with symptoms, however mild, with cough, fever, loss of sense of taste and/or smell will not be allowed to enter the Therapy Centre.
4. Please come alone for your appointment (no guests) unless you require help or a carer. Unfortunately, your carer will have to wait in the car.
5. Please do not bring coats or bags with you unless they contain your mask and water. If possible leave your mobile phone in your car or at home as they are not allowed inside the oxygen chamber.

7. No refreshments will be available. The toilets can be used but we ask you to make sure it is clean before and after your visit and antibacterial wipes will be provided for your use inside the toilet. Also please use the hand sanitiser after exiting the toilet.
8. Only two people will be allowed inside the oxygen chamber for the session. We would ask that at all times you observe social distancing and keep away from others by at least 1 metre.
